

Into the Woods | Rig Changes

Updated Sunday 3 December – 22.00

**DYLAN
MCLEAN**

- Ch. 532 Source 4 PAR added to bottom of USL boom to skim painted cloth and moon. With barndoors.
- Ch. 176 + 176 2 x RUSH PARs behind moon door opening.
- Ch. 181 + 182 2 x ColorSource PAR added to new boom USL in-line with cloth to cross onto basketball hoop and lampposts. Both with barndoors.
- Ch. 601, 602, 603 4 x Source 4 PARs in OW added to pit rail and focused onto flats for opening section. 601 covers SR, 602 covers CS (2 x PARs paired), 603 covers SL.
- Ch. 611, 612, 613 3 x Birdies added as door specials for gold doors at start of Act Two.
- Ch. 109 ETC Lustr+ added to DSL boom to cross onto CS area, avoiding DS lamppost.
- Ch. 134 This was removed from the upper SL tormentor position and the unit was used for Ch. 109.
- Ch. 291 – 296 These are still in the rig but are unused. These also were not focussed.
- Ch. 524 This was a new lightbox picture frame that was added during tech by request of the designer.
