

Betty Blue Eyes 2013

RCS Chandler Studio Theatre

Running List

- Carry out all pre-show checks.

Beginners

- Perform a visual check of every cast member's mic headset.
- Ensure you are ready with batteries and tape out in the dressing room corridor incase of any issues during the show.
- Go to sound desk and check all radio receivers once more.
 - Check battery level.
 - Check that there is signal coming through. [red and blue lights on left]
 - Have a listen to make sure there is no unwanted noise.

Act 1

- Stay at sound position incase of any immediate issues. Go and solve them if they occur.
- Check ALEX, and NINA after their quick change for "Nobody"
- Keep an eye out for any mics slipping, split your time between sound position and dressing room corridor.

Interval

- Check radio receivers'
 - Battery level
 - Signal

Act 2

- Stay at sound position incase of any immediate issues. Go and solve them if they occur.
- Keep an eye out for any mics slipping, split your time between sound position and dressing room corridor.

The End

- Get ready to complete Post Show Checks.
