

**TECHNICAL DATA**

|  |                                      |                         |
|--|--------------------------------------|-------------------------|
| Recommended Proscenium Opening                 | 9 200mm                              |                         |
| Proscenium Opening                             | 8 000mm - 11 200mm (w) x 7 180mm (h) |                         |
| Setting Line to D/S of Rear Columns            | 10 000mm                             |                         |
| Setting Line To Edge Of Stage                  | 800mm                                |                         |
| Setting Line To Edge of Forestage/Pit Elevator | 3110mm                               |                         |
| Depth of Forestage/Pit Elevator                | 2 310mm                              |                         |
| Height of Stage from Stalls Level              | 910mm                                |                         |
| Max Width of Stage                             | 20 75 0mm                            |                         |
| Width Between Fly Floors                       | 16 550mm                             |                         |
| Clearance To Underside of Fly Floors           | 6700mm                               |                         |
| Height to Underside of Grid (Bar Travel)       | 15 500mm                             |                         |
| Bar Width Counterweights                       | 11 500mm                             | SWL 400kg UDL / 45kg PL |
| Bar Width DP Counterweights                    | 12 000mm                             | SWL 370kg UDL / 50kg PL |
| Bar Width Hemp Sets                            | 10 650mm                             | SWL 50kg UDL            |

  

|                             |             |                       |
|-----------------------------|-------------|-----------------------|
| Get In Clearance Dimensions | Stage Left  | 2 250 (w) x 6 300 (h) |
|                             | Stage Right | 2 350 (w) x 2 800 (h) |

*Updates*  
**April 2022**  
 Optimal proscenium dimensions  
 9200mm (w) x 6200 (h)  
 FOH Sound Position Added  
 Steve Macluskie 0141 270 8257  
 Simon Cook 0141 270 8108
